

Monthly Sunday Social Moves to The City on Sept. 12

By Linda Filice

We have just concluded our Sunday Social rotation in the East Bay at the Palomares Café in Castro Valley. We'd like to extend a big "Thank You" to Ken and Patti Martin for hosting this well attended event over the last five months and making everyone feel welcome. For the remainder of the year (September thru December), Kathleen Cannon will be hosting our next rotation in wonderful **San Francisco at Il Fornaio Restaurant** located at 1265 Battery Street, San Francisco, CA. 94111-1101. Phone Number: (415) 986-0100 beginning at **10:00am on Sunday, 12 September 2010**. Please join us at this new location for a great breakfast, good company and a great display of Alfa Romeos. We look forward to seeing some new faces and members who previously weren't able to fit this event into their schedules due to location. See you soon.
